## Watermain Replacement Owen Boulevard

In April 2015, The City advised you of planned watermain replacement work on Balding Court from Fenn Avenue to the north limit and on Owen Boulevard from Seneca Street to the east limit in a Pre-construction Notice.

Due to a re-prioritization of projects, this work is deferred until further notice.

This delay of scheduled work will not affect the normal operation of the existing watermain.

### Map of Work Area

The City will provide a further update before this project work starts again.

Thank you for the continued patience and understanding.
