Watermain Replacement Wilket Road and Wyeagate Court

In April 2015, The City advised you of planned watermain replacement work on Wilket Road from Bayview Avenue to Wyeagate Court and on Wyeagate Court from Wilket Road to Wilket Road in a Pre-construction Notice.

Due to a re-prioritization of projects, this work is deferred until further notice.

This delay of scheduled work will not affect the normal operation of the existing watermain.

The City will provide a further update before this project work starts again.

Thank you for the continued patience and understanding.
