Laneway Reconstruction (West of Treadway Blvd.) from O'Connor Drive to Plains Road

Contract: 15ECS-LU-14SU
Start Date: November 6, 2015
End Date: June 2016
**Timeline is subject to change.*

The City will reconstruct the laneway between Coxwell Avenue and Treadway Boulevard from O'Connor Drive to Plains Road. Our inspection of the laneway shows that it needs to be repaved and drainage improvements are needed to bring it to a state of good repair.

This work is part of the Council-approved 2015 Capital Works Program to renew aging city roads for current and future needs.

MAP OF WORK AREA

WORK DETAILS

In the first few weeks, the City's contractor will move equipment on-site and prepare the work area before construction begins. Construction crews will then:

- Removing and replacing the existing laneway pavement
- Improve drainage in the laneway by installing a new storm sewer system and aligning catchbasins
- Installing a new manhole on O'Connor Drive to connect the new sewer pipe from the laneway.
- Repaving the lane

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. Your patience is appreciated.
- Further notice will be provided to property owners who must remove items located within City property limits (boulevard), such as decorative objects. If you have a sprinkler system within the boulevard, please contact the Field Ambassador.
- The City will not be responsible for damage to any privately owned items on City property.

| | |
|---|--|
|  | <p>Work Hours: Work will take place from 7:00 a.m. to 7:00 p.m., Monday to Friday, with work after hours and on weekends as required.</p> |
|---|--|

| | |
|---|--|
|  | <p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work area.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times. Access for emergency vehicles will be maintained at all times.</p> <p>Accommodation: Residents that require accommodation must contact the City Inspector to arrange for access during the construction period.</p> |
|  | <p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times and informing the public of alternate routes during this planned work through twitter. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Construction may require temporary closures of the laneway and / or private driveways. One entrance to the Laneway will be kept open at all times. Further notice will be given prior to any temporary lane closures.</p> |
|  | <p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. Please contact parking control for the location of your vehicle at 416-808-2222.</p> <p><i>In the event you receive a traffic ticket for on-street parking during this period of construction, please immediately contact the Field Ambassador listed below, so that your tickets can be cancelled.</i></p> <p>Please note that parking tickets cannot be cancelled if vehicles have parked in illegal parking spots such as hydrant violations or no parking zones or if they are submitted to the Construction Inspector later than three days of receipt.</p> |
|  | <p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p> |
|  | <p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p> |
