

HELP PLAN TRANSIT IN TORONTO

The City of Toronto, TTC and Metrolinx are working together to bring more transit to communities across the city with connections to the entire Greater Toronto and Hamilton Region.

Please join us at a Public Information Session to learn more about network transit planning and the projects that will transform the way you move around Toronto and beyond.

THE PROJECTS – FOUR MAJOR TRANSIT STUDIES ARE INTERRELATED

Network analysis by Metrolinx

1. GO Regional Express Rail (RER)

Network analysis by the City of Toronto and TTC

2. SmartTrack 3. Scarborough Subway Extension 4. Relief Line

These projects have a positive impact on the overall transit network:

- Improving the network by creating connections between future projects and existing lines.
- Coordinating regional and local priorities.
