

# Environment & Energy

## Office of the Chief Corporate Officer

The Chief Corporate Officer reports to the Deputy City Manager/Chief Financial Officer in delivering internal services. The Chief Corporate Officer manages the Divisions of 311 Toronto, Facilities Management, Real Estate Services, Fleet Services and the Environment and Energy Division.

In addition to promoting environmental sustainability, energy efficiency, and conservation within the City's internal operations, the Environment & Energy Division develops and implements environmental and energy policies, projects, and programs that promote sustainable development and the growth of the green economy; provides research and policy expertise; establishes and leverages partnerships with internal and external stakeholders; delivers tools and resources to engage Toronto residents and businesses in adopting sustainable lifestyles and business practices; and ensures the City can maintain its global leadership position in environmental stewardship.
