Road Resurfacing on Waterford Drive and other local roads

Expected Start Date: Fall 2016

Expected End Date: Winter 2016

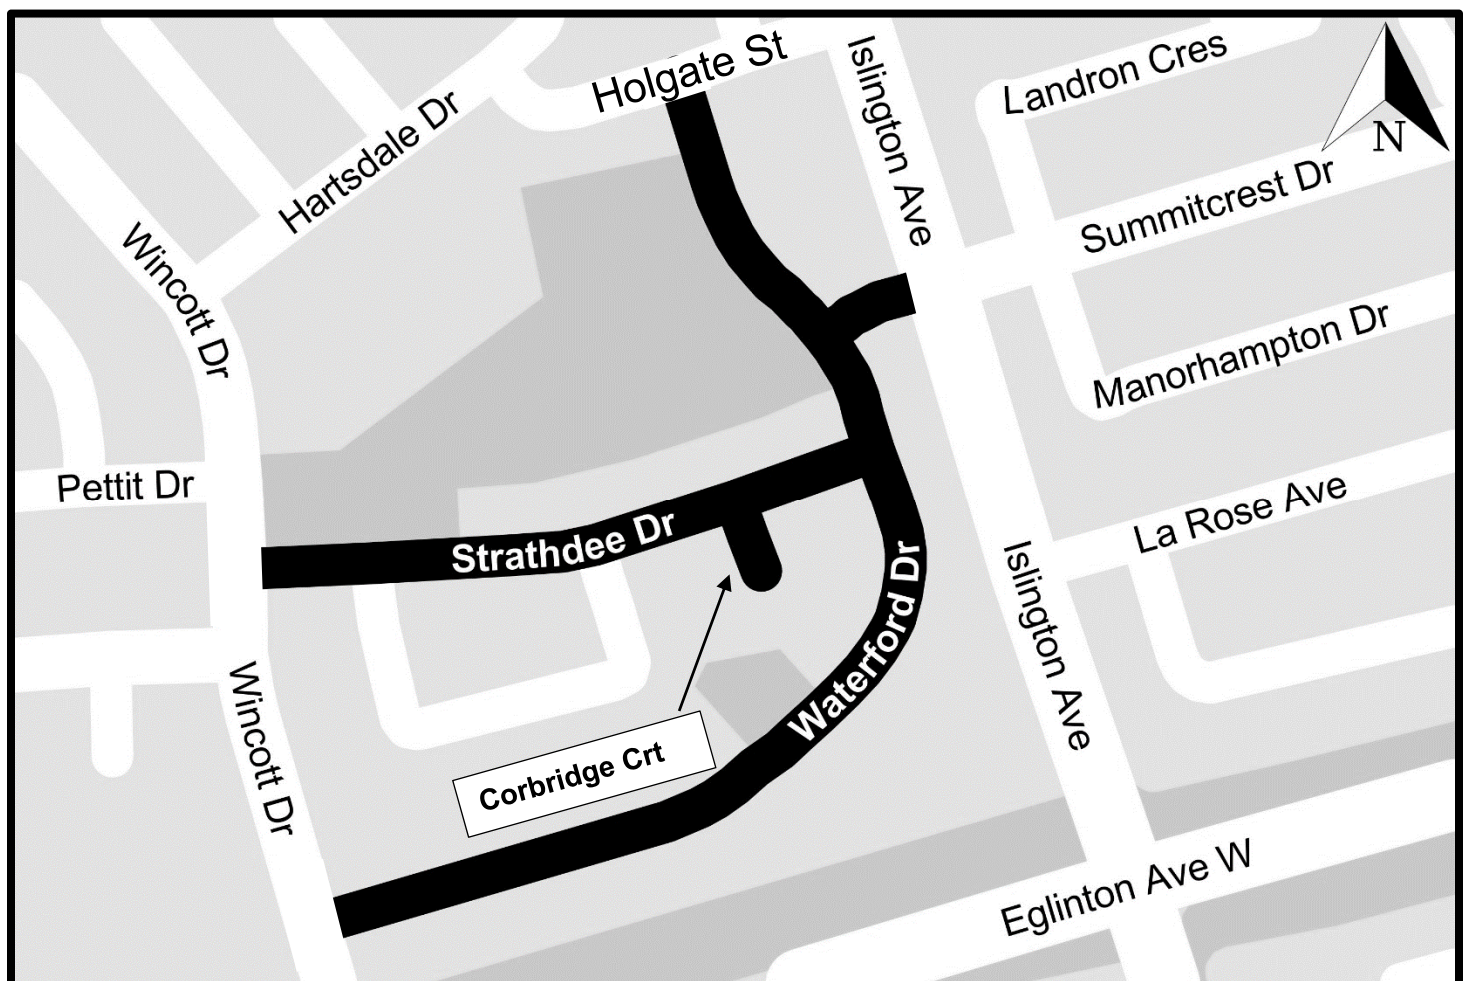

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning road resurfacing on:

- Corbridge Court,
- Summitcrest Drive from Waterford Drive to Islington Avenue,
- Strathdee Drive from Waterford Drive to Wincott Drive, and;
- Waterford Drive from Holgate Street to Wincott Drive (see map).

Our inspection of the roads show they need repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair. This project is part of the Council-approved 2016 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Field Ambassador listed below.

	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Field Ambassador to arrange for access during the construction period.</p>
