Road Resurfacing on Burnhamthorpe Road from Dundas Street West to Martin Grove Road

Contract: 17ECS-TI-22MR

Start Date: May 29, 2017

End Date: July 30, 2017

**Timeline is subject to change.*

The City of Toronto is resurfacing Burnhamthorpe Road from Dundas Street to Martin Grove Road. Our inspection of the road shows that it needs repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2017 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will move equipment on-site and prepare the work area before construction begins. Construction crews will then:

- Dig up and replace deficient sidewalks and curbs
- Mill the road surface
- Re-align maintenance holes and catch basins
- Repave the road surface

Work will begin between Martin Grove Road and Kipling Avenue followed by the section between Kipling Avenue and Dundas Street West.

Martin Grove Road and Kipling Avenue intersections have previously been repaired, thus will not be included with this project.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and/or decorative objects. If you have a sprinkler system within the boulevard, please contact the Project Manager.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7:00 am to 7:00 pm., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Traffic on Burnhamthorpe Road will be reduced to one lane in each direction.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p>
	<p>Transit Service Impacts: This project may affect travel times for the 50 Burnhamthorpe Bus and various Mississauga Transit Routes.</p> <p>Visit ttc.ca and www.mississauga.ca/portal/miway for further service details.</p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. Please ensure that you label your bins with your address.</p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod may be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
