## Road Reconstruction on Maydolph Road from Laurel Avenue to Northhampton Drive

**Expected Start Date: September 2016**

**Expected End Date: November 30, 2016**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to reconstruct Maydolph Road from Laurel Avenue to Northhampton Drive on Maydolph Road. Our inspection of the road shows that it needs reconstruction and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This project is part of the Council-approved 2016 Capital Works Program to renew aging city laneways for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Work crews will mark the areas of the roadway that require replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Property owners should remove items located within City property limits in the laneway, such as landscaping and or decorative objects before work starts. If you have any questions about the work, please contact the Field Ambassador listed below.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc.) must contact the <b>Field Ambassador</b> to arrange for access during the construction period.</p>
