## Road Resurfacing on Sheppard Avenue West from Keele Street to Allen Road and Intersection Improvement at Sheppard Avenue West and Bakersfield Street

**Expected Start Date: Summer 2017**

**Expected End Date: Fall 2017**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to resurface the road on Sheppard Avenue West from east of Keele Street to approximately 170 metres west of Allen Road in the summer of 2017.

The work will also include improvements to the intersection of Sheppard Avenue and Bakersfield Street. As part of this work there will be road widening of Sheppard Avenue from approximately Tuscan Gate to the CN railway underpass bridge. On Bakersfield Street the road will be widened one lane to the west from Sheppard Avenue to Regis Crescent.

Our inspection of the road shows the need to fix the curb and sidewalk and resurface the road to bring them to a state of good repair.

This work is part of the Council-approved 2017 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Project Manager listed on page 2.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc.) must contact the <b>Project Manager</b> to arrange for access during the construction period.</p>
