Budapest Park (1801 Lake Shore Blvd. W.) Maintenance Work

Expected Start Date: October 18, 2017
Expected Completion Date: November 15, 2017

The City of Toronto will be undertaking maintenance work on a portion of the Sunnyside Boardwalk and the overflow channel located on the south and east sides of 1801 Lake Shore Boulevard West (a portion of Budapest Park).

The overflow channel was created for the overflow of water from the lake. Due to heavy rain this year, debris and residue are blocking the channel and must be removed.

A map of the work area can be found on the next page.

WORK DETAILS

Work is scheduled for four weeks and includes:

- Clean-up and maintenance of the overflow channel located east of 1801 Lake Shore Boulevard.
- Repair and maintenance of Sunnyside Boardwalk located south of 1801 Lake Shore Boulevard.

WHAT TO EXPECT DURING CONSTRUCTION

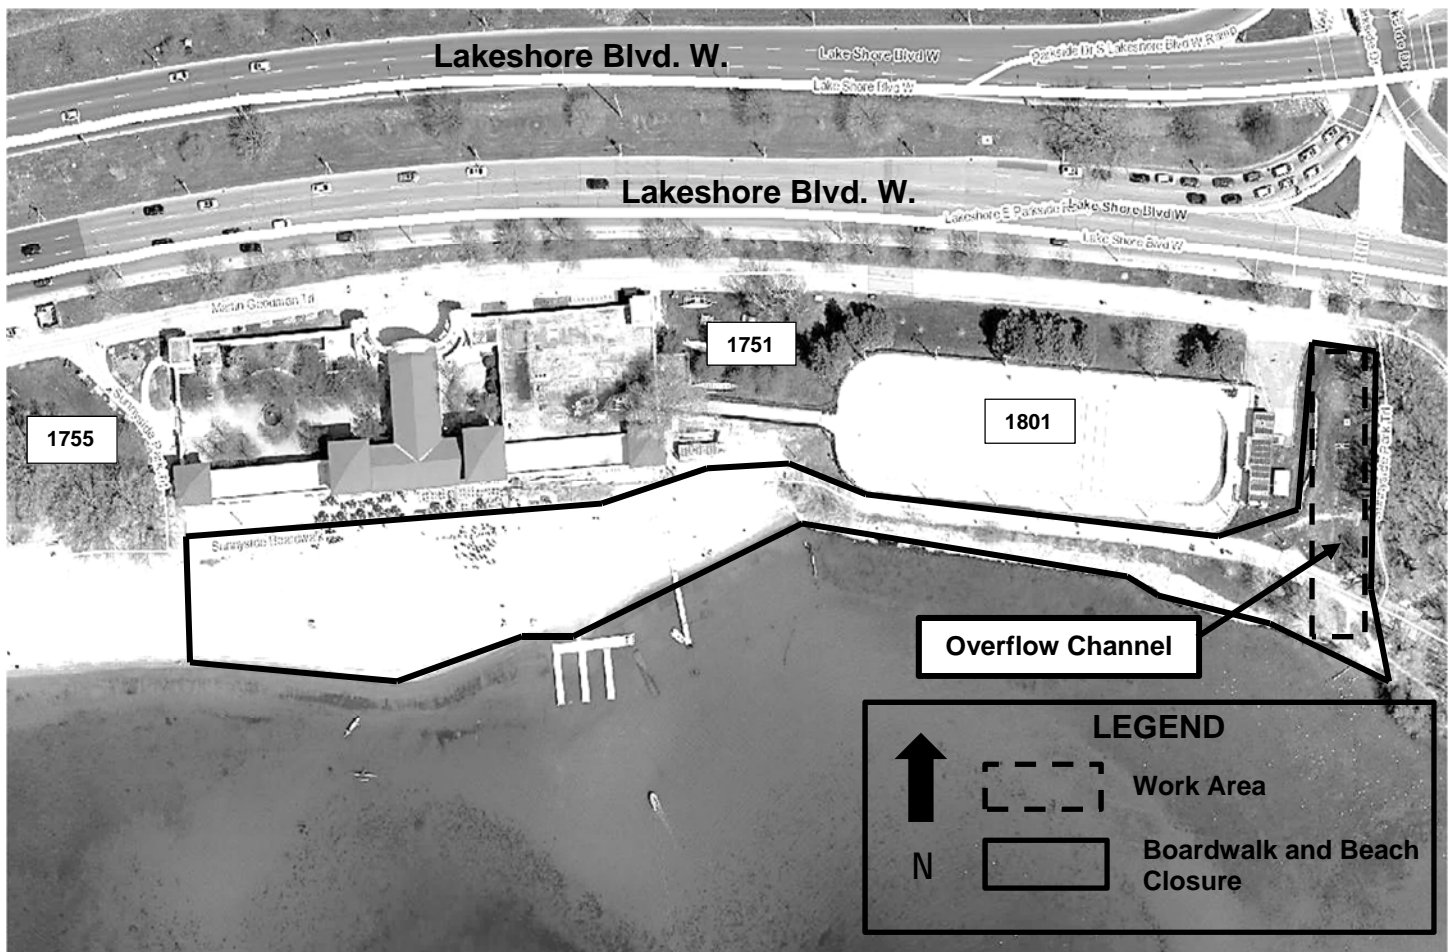

You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.

	Work Hours: Work will be completed in accordance with the City's Noise By-law between 7:00 am to 7:00 pm, Monday to Friday, with occasional work after hours and on weekends if required.
	Pedestrian and Sidewalk Access: In order to complete the work in a safe manner, there will be some pedestrian restrictions around the work area. Access to a portion of beach and boardwalk will be closed during various stages of work. Temporary fencing and signage will be placed around the construction site for the safety of workers and pedestrians.
	Traffic Management: Efforts have been made to manage traffic and access routes for the safety of workers, road users and pedestrians. Road users should expect delays and increased truck traffic on nearby main and side streets.
