Intersection Improvements At St. Johns Place & Maria Street

Contract #16ECS-TI-12LR

Expected Start Date: November 29 2016

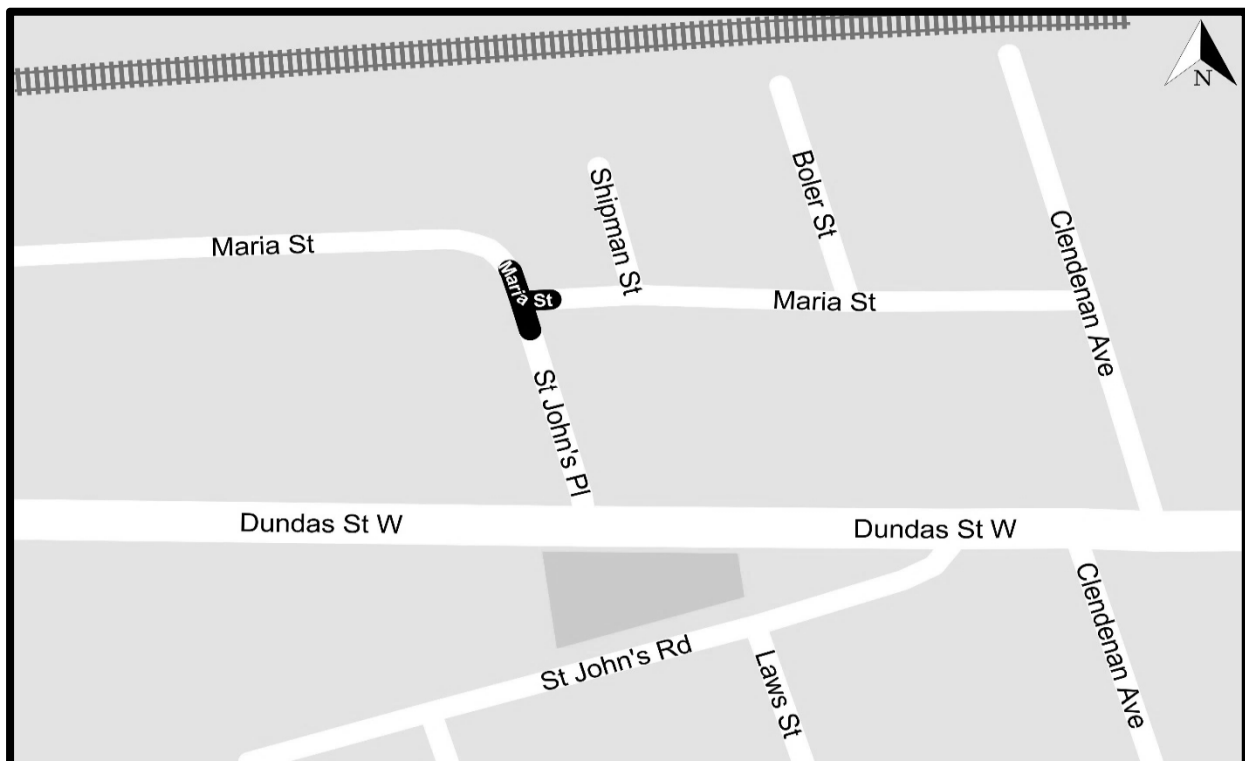

Expected End Date: December 6, 2016

**Timeline is subject to change.*

The City of Toronto will be installing new concrete curbs and tactile plates at the intersection of St. Johns Place and Maria Street as part of transportation safety improvements

This project is part of the Council-approved 2016 Capital Works Program to improve the safety at this intersection.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will move equipment on-site and prepare the work area before construction begins. Construction crews will then:

- Install new concrete curbs and tactile plates where required.
- Restore areas affected by construction.

WHAT TO EXPECT DURING CONSTRUCTION

- You will experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. Your patience is appreciated.
- Property owners should remove items located within City property limits (boulevard or front yard), such as landscaping and / or decorative objects.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7:00 a.m. to 7:00 p.m., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only.</p> <p>Sod restoration will be done in the spring of 2017.</p>
