Flemington Road Bridge Rehabilitation over W. R. Allen Road

Expected Start Date: Spring 2017

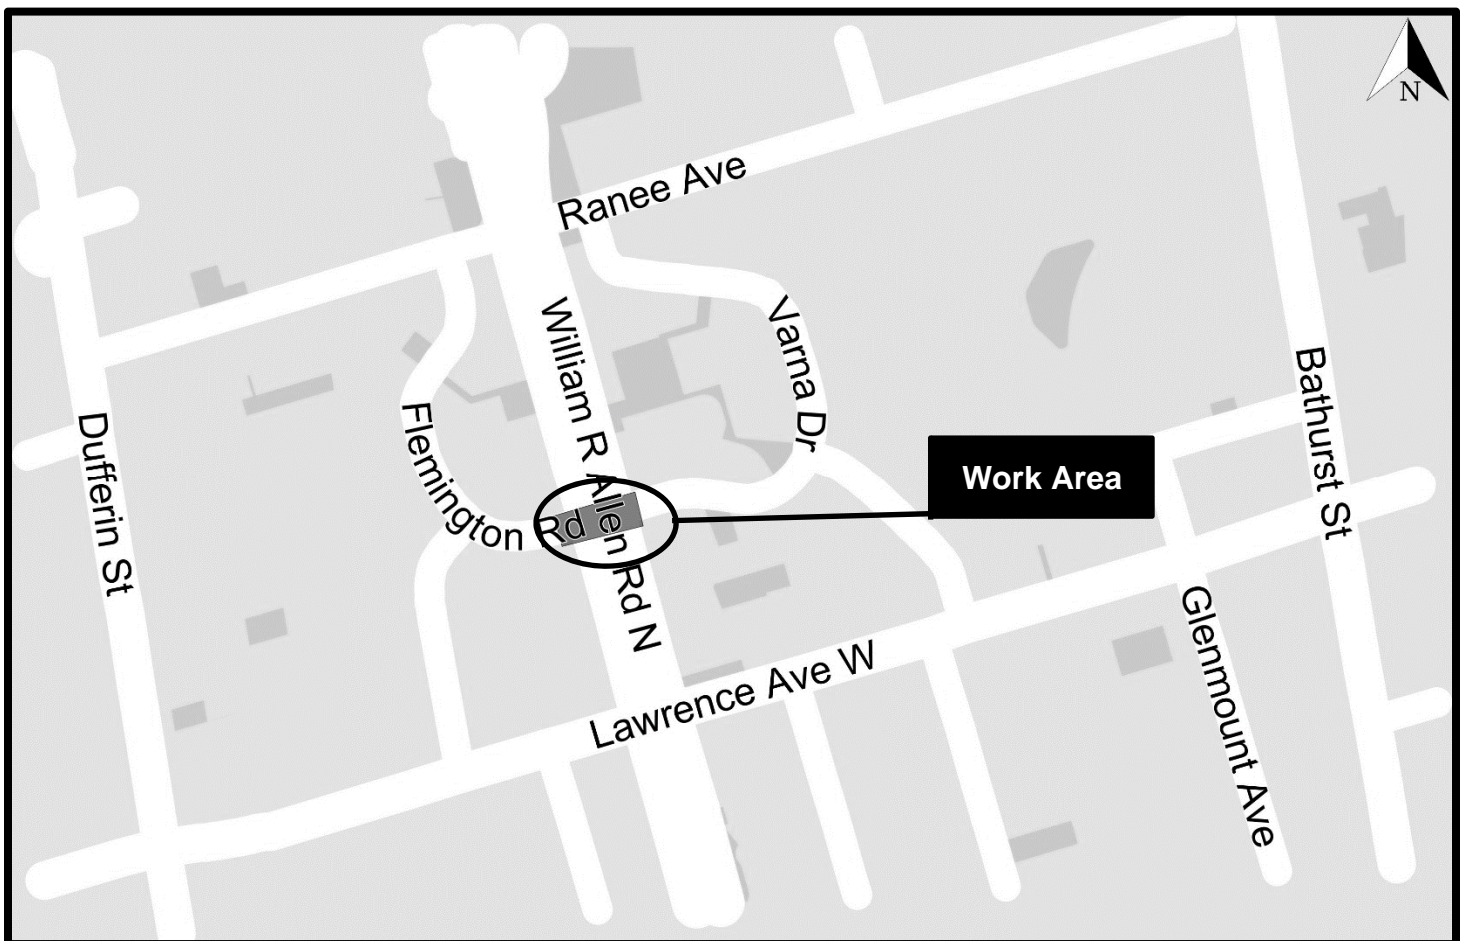

Expected End Date: Fall 2017

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to rehabilitate the William R. Allen Road Underpass at Flemington Road.

This work will ensure that the bridge meets today's standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2017 Capital Works Program.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water, hydro, and cable so that the construction work does not interfere with these utilities.
- Signs will be erected on Allen Road, Lawrence Avenue West and Flemington Road to notify the public of coming construction, and lane and ramp closures.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

NEED MORE INFORMATION?
