Road Resurfacing on Lawrence Avenue West from Dufferin Street to WR Allen Road

Expected Start Date: September 2016

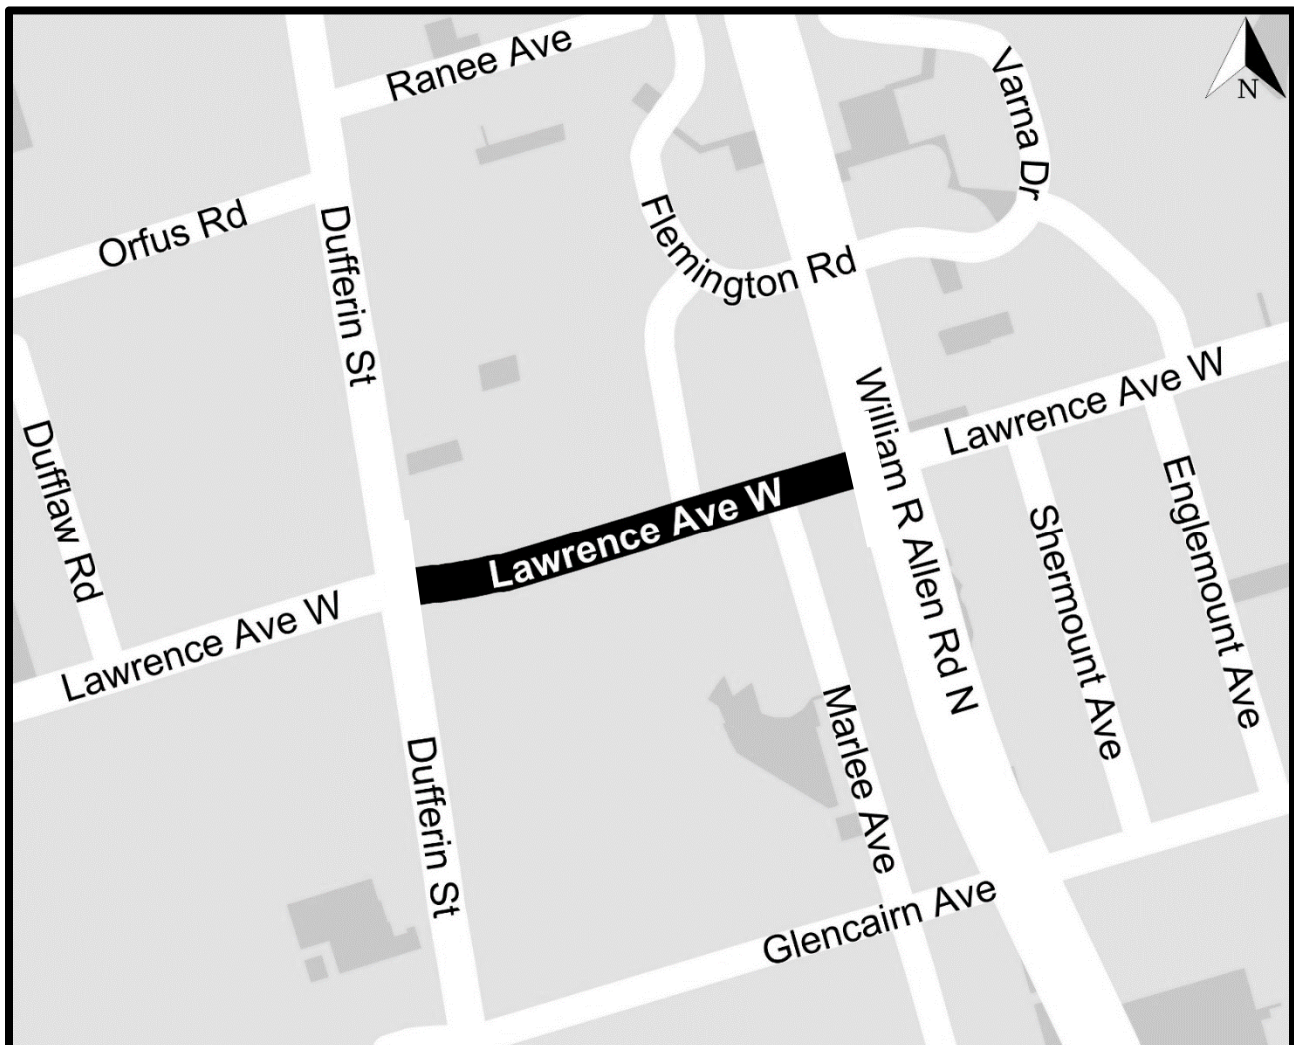

Expected End Date: November 2016

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to resurface the road on Lawrence Avenue West from Dufferin Street to WR Allen Road in the Summer/Fall 2016. Our inspection of the road indicates that it requires repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2016 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks prior to the start of work with more information about the work.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as

landscaping and/or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Project Manager listed below.

	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Project Manager to arrange for access during the construction period.</p>
	<p>Extended Work Hours: The Contractor on this project will use extended work hours to minimize traffic disruption and to shorten the project duration. Work will take place from 7:00 a.m. to 11:00 p.m., Mondays to Fridays and 9:00 a.m. to 11:00pm on Saturdays.</p>
	<p>TTC Service: This project may affect travel times on the Lawrence 52, Maple Leaf 59 and Ranee 109 bus routes. Visit ttc.ca for accurate schedule information.</p>
