## Combined Sewer Replacement & Road Resurfacing on Mutual Street from Queen Street East to Shuter Street

**Contract #: 16ECS-LU-14SU**

**Start Date: August 15, 2016**

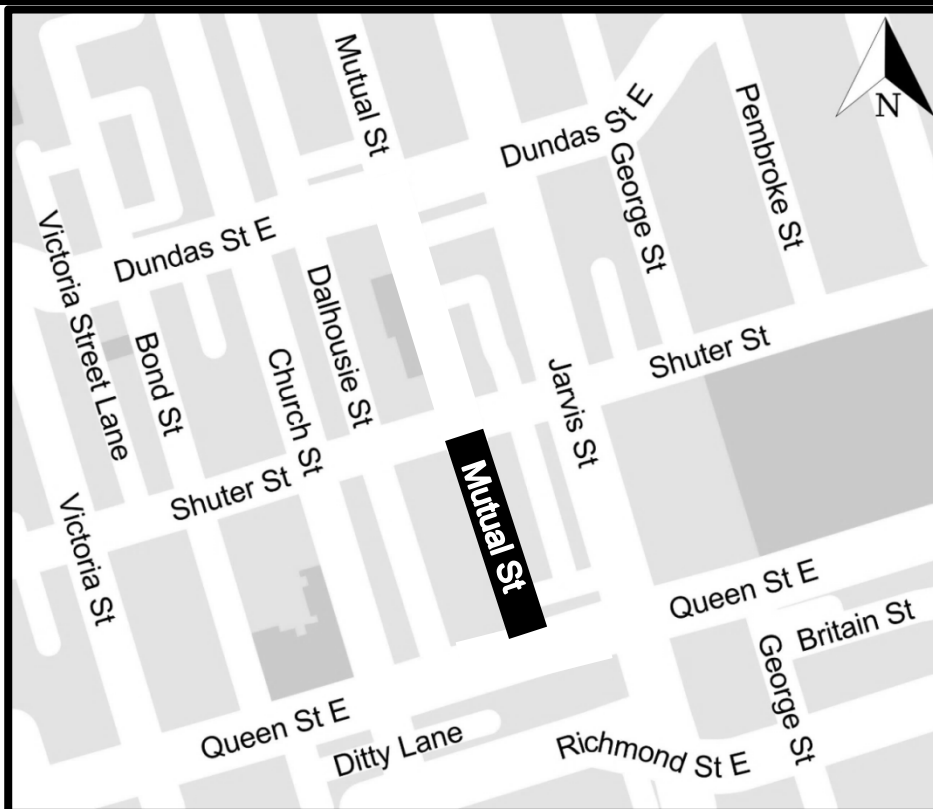

**End Date: November, 2016**

*Timeline is subject to change.*

Earlier this summer, the City of Toronto sent out a construction notice outlining the planned combined sewer replacement and Road Resurfacing from Queen Street East to Dundas Street East.

Since the notice was sent, the plans for the work have changed, the City will no longer be resurfacing the road north of Shuter Street; all work will occur between Queen Street East and Shuter Street only (see map below). The contractor will restore the trench area that is created for the combined sewer replacement. The City will resurface Mutual Street between Shuter and Dundas at a later date.
