Sanitary Sewer Replacement on Logan Avenue at Lake Shore Boulevard East

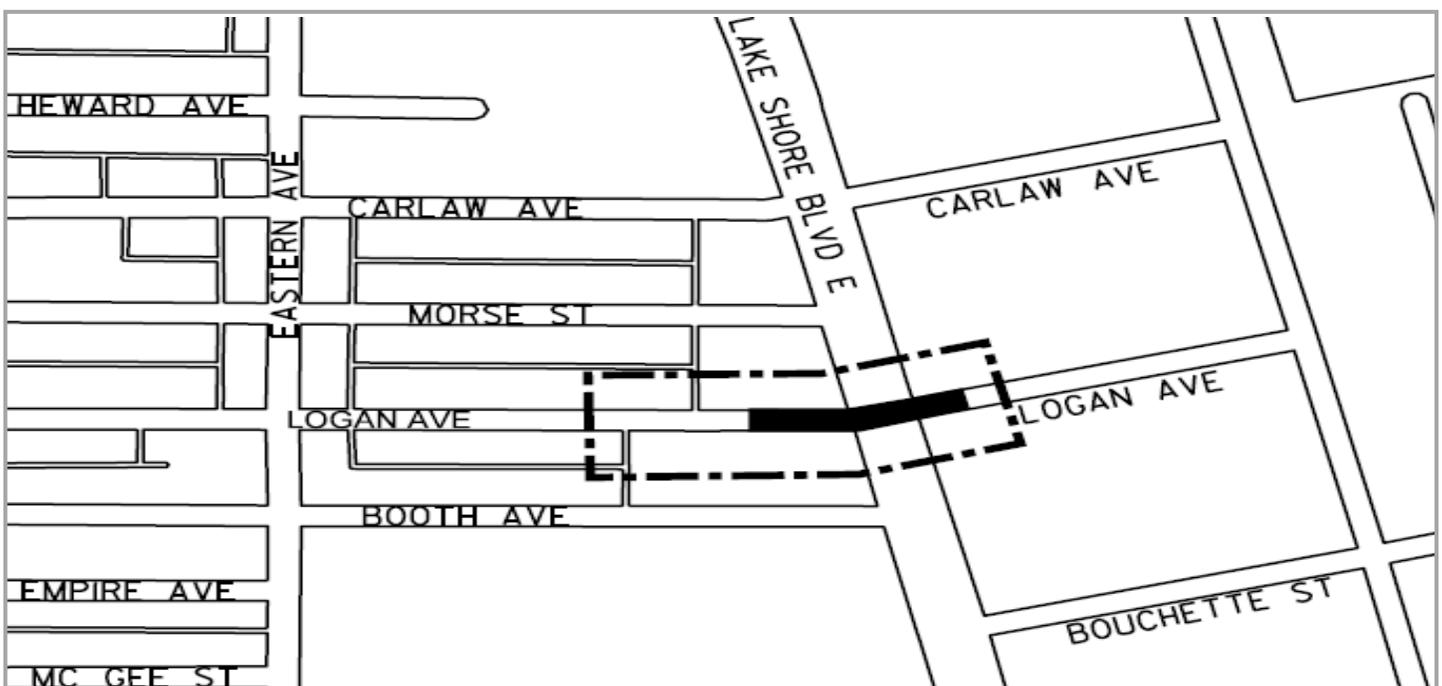

Contract: [16ECS-TI-24SP]
Start Date: [November 23, 2016]
End Date: [April 28, 2017]
**Timeline is subject to change.*

The City of Toronto will replace the sanitary sewer and the City-owned portion of the sanitary service laterals on Logan Avenue from the south side of Lake Shore Boulevard East to 65m north of Lake Shore Boulevard East.

The sanitary service lateral is the pipe connecting your property's plumbing to the City's sewer which are owned by you and by the City. The part that you own is from your home/business to the property line; the part the City owns goes from the sewer to the property line.

This project is part of the Council-approved 2016 Capital Works Program to renew aging infrastructure reducing the risk of sewer collapse or blockages that cause sewer backups.

MAP OF WORK AREA

WORK DETAILS

In the first few weeks, the City's Contractor will move equipment on-site and prepare the work area before construction begins. Construction crews will then:

- Excavate the road and construct access shafts in order to tunnel and install the new sewer;
- Tunnel and install the new sewer;
- Excavate, remove and replace the sanitary sewer laterals attached to the newly constructed sewer;
- Restore all excavated areas with asphalt, concrete or grass when the underground works are complete

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.

- Property owners should remove items located within City property limits (boulevard), such as landscaping and / or decorative objects.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7:00 am to 7:00 pm., Monday to Friday, with periodic work after hours and on weekends.</p>
	<p>Access to Your Home: The City-hired contractor may need access to your property to complete a pre-construction survey. The contractor will deliver a pre-construction survey request only to those whose property are adjacent to the work to schedule a time to complete the survey.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts may include adding Local Access signs, detours and revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Southbound access to Lake Shore Boulevard East from Logan Avenue will be closed intermittently to facilitate construction.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public property during construction will be replaced. If required, lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
