## Road Resurfacing on Pharmacy Avenue from Ellesmere Road to the north side of the CPR Bridge

Contract #: 16ECS-TI-11MR

Expected Start Date: July 21, 2016

Expected End Date: November 30, 2016

*\*Timeline is subject to change.*

The City of Toronto has been resurfacing the road on Pharmacy Avenue from Ellesmere Road to the north side of the CPR Bridge to bring the road, curb and sidewalk to a good state of repair.

The City is extending the work on Pharmacy Avenue. In the coming weeks, the City's contractor will be returning to areas where work was completed to replace sections of curb that if kept in place, the workmanship will not last nor will they provide the best access to the road as possible. Updated driveway notices will be provided to all residents affected prior to the completion of the work.

This work will be completed within the November 30 timeline associated with this project.

### MAP OF WORK AREA

### WORK DETAIL UPDATE

To date the contractor has completed the necessary road resurfacing. The contractor will return in September to:

- Repair curbs, gutters and driveways

### WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and / or decorative objects. If you have a sprinkler system within the boulevard, please contact the Project Manager.
- The City will not be responsible for damage to any privately owned items on City property.

	<p><b>Work Hours:</b></p> <p>Work will take place from 7:00 a.m. to 11:00 p.m., Monday to Saturday, with work after hours and on Sundays as required.</p> <p>Extended work hours help to minimize traffic disruption, congestion and to shorten the project duration.</p>
	<p><b>Road and Sidewalk Access:</b> In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p><b>Driveway Access:</b> The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p><b>Traffic Management:</b> Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p><b>In some stages of the work, traffic on Pharmacy Avenue will be reduced to one lane.</b></p>
	<p><b>Parking:</b> Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at <b>416-808-2222</b>.</p> <p><b><i>In the event you receive a traffic ticket for on-street parking during this period of construction, please immediately contact the Project Manager listed below, so that your ticket can be cancelled.</i></b></p> <p>Please note that parking tickets cannot be cancelled if vehicles were parked in illegal parking spots such as in front of a fire hydrant or in no parking zones, or if they are submitted to the <b>Project Manager</b> later than <b>three days</b> after receipt.</p>
	<p><b>Garbage &amp; Recycling:</b> Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <b><i>Please ensure that you label your bins with your address.</i></b></p>
	<p><b>Restoration:</b> The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
