Skating Lessons and Leisure

Lace them up, get on the ice and Skate!

Come and discover the joys of one of Canada's oldest and most popular recreational activities. Whether it's a leisurely skate in the crisp winter air or a breakaway up the ice, Toronto's skating programs have something for everyone. Indoor arenas and outdoor rinks across the city offer many leisure and instructional skating opportunities.

Integration Services may be requested if an individual requires assistance to participate in recreation programs. Refer to the Adapted Recreation Programs and Integration Services section or visit toronto.ca/accessibility.

What to wear and equipment

Clothing
Wear gloves or mittens, and layers of clothing that are warm, water-resistant, non-bulky.

Helmets
For helmet requirements, see section on “mandatory skating safety equipment requirements.” Visit toronto.ca/skate for more information on helmet education and awareness.

Skates
Proper fitting skates are required. The rule for purchasing skates is one size smaller than shoe size. New skates do not come sharpened and will require sharpening prior to the first class. Shoes are not to be worn on the ice.

Skating Job Opportunities
Jobs are available as Rink Guards, Skate Instructors and Rink Facility Attendants. You must be at least 14 years old. Visit toronto.ca/recjobs.

Recruitment Day Information
Send your name and contact information by email to SkateJobs@toronto.ca. Various dates city-wide in July, August and September. Staff will contact you about available jobs and recruitment date.

Skate Sharpening Services
To skate properly, skates should be kept sharpened. The following arenas have pro shops that offer this service at various times: Centennial Arena (Etobicoke/York), Don Montgomery CC, Downsview Arena, East York Memorial Arena, Herbert H. Carnegie Centennial Centre, Pleasantview CC and Victoria Village Arena.

Ice Permits
For information on ice rates visit toronto.ca/parks/permits.

City of Toronto Photography Policy
Patrons wishing to use cameras, video cameras or other photographic devices must receive permission from staff before filming. The use of photographic devices, cameras, video cameras, camera cell phones and PDAs are prohibited in all change rooms and washrooms in Parks, Forestry and Recreation facilities.

Don’t learn about concussion the hard way.

Know what to do and keep your head in the game.

REMEmber: If in doubt, sit them out!

For more information on how to prevent, recognize and manage concussions, visit parachutecanada.org

68 Skating
Leisure Skate

Whatever your age, we offer a variety of leisure skating programs for all skaters of all abilities and ages. The City of Toronto provides various opportunities for patrons to skate at indoor arenas and outdoor rinks. It’s fun for you and your family to learn to skate, improve skating skills and get fit.

For more leisure skate information visit toronto.ca/skate.

Public Skate – For skaters of all ages and abilities.

Child with Caregiver Skate – Children and caregiver skate together and practice skating skills in an enjoyable slower paced environment.

Youth Skate – Skating time for youth aged 13-24.

Adult Skate – Skating time for adults 19 years and up.

Older Adult Skate – Skating time for older adults 60 years and up.

Shinny Programs (offered by age group and/or gender):

Unless otherwise stated shinny programs are supervised by skate staff.

- A CSA approved hockey helmet is mandatory for all participants, if under 19 years of age a full face mask is also required
- Bring skates, sticks and pucks and join a shinny game near you
- Shinny hockey players do not need to wear full equipment
- Goalies are not permitted
- Body contact is not permitted
- Puck is not to be raised off the ice
- Only one puck is allowed on the ice during a game

“Unsupervised” Leisure Skate:

- Skate staff not present
- No scheduled permits or programs operating
- All patrons must wear skates while on the ice
- For equipment information see “mandatory skating safety requirements”
- Patrons will skate at their own risk

Other Information

Skate Walkers and Child Carriers

CSA-approved skate walkers may be used with the approval of rink staff, based on the number of skaters using the ice surface and other local conditions. Homemade skate devices, as well as chairs, baby carriers, or strollers are not permitted on the ice at any time.

Inclusion and Support Equipment: Sledges

Sledges and Skate Horses are adaptive skating devices that give people with disabilities the opportunity to participate in leisure skate and hockey activities. Refer to the Adapted and Integration section for more information.

Mandatory Skating Safety Equipment Requirements

- CSA approved hockey helmet

Leisure Skate

- Children (under 6 years)
- CSA approved hockey helmet – mandatory

Shinny: Supervised

- Preschool, Children (5-12 years) and Youth (13-18 years)
- CSA approved hockey helmet, gloves and full face mask – mandatory

- Adults (19 years+)
- CSA approved hockey helmet and gloves – mandatory

Visit toronto.ca/skate for season dates, programming information and schedules.

Call 311
**Instructional experience....**
Whatever your age... We offer instructional skating programs for beginners and more accomplished skaters alike. All children, youth, and adults participating in our instructional programs must wear a CSA approved hockey helmet. Face masks and neck guards will be required for certain programs (see mandatory skating safety requirements). This is a progressive program. Please see the skating flow chart and prerequisites to ensure registration in the appropriate program level. For more Instructional skate information visit toronto.ca/skate

### Mandatory Skating Safety Equipment Requirements

#### Learn to Skate

**Child with Caregiver**
- Caregiver: CSA approved hockey helmet – Mandatory
- Child: CSA approved hockey helmet and full face mask – Mandatory

**Preschool**
- CSA approved hockey helmet and full face mask – Mandatory

**Children** (6-12 years)
- CSA approved hockey helmet – Mandatory

**Youth** (13-18 years)
- CSA approved hockey helmet – Mandatory

**Adults** (19 years+)
- CSA approved hockey helmet – Mandatory

#### Hockey Programs

**Preschool**
- CSA Approved hockey helmet, full face mask, gloves and neck guard – Mandatory

**Children** (6-12 years)
- CSA Approved hockey helmet, full face mask, gloves and neck guard – Mandatory

**Adults** (19 years+)
- CSA approved hockey helmet and gloves – Mandatory

#### Power Skate

**Children** (6-12 years)
- CSA approved hockey helmet and full face mask – Mandatory

#### Figure Skating

**Children and Youth** (8-15 years)
- CSA approved hockey helmet – Mandatory

**Adults** (19 years+)
- CSA approved hockey helmet – Mandatory

### CSA Approved Hockey Helmets

#### Instructional Skating

- All participants must wear a CSA approved hockey helmet with all helmet straps attached for all skate programs.
- Face masks are mandatory for all preschool, hockey and power skate programs.
- All adult participants must wear a CSA approved hockey helmet.
- Broken helmets, bicycle, ski and utility helmets are not acceptable and will not be permitted on the ice.

Note: Please refer to the Instructional Skating Flow Chart or individual course listings for specific ages.

### Program Information

- Participants may not be able to relocate if they select an incorrect level. Please read class descriptions carefully.
- Parents/caregivers are requested to remain at the facility during lessons.
- When registering for Learn to Skate Levels 2-5, a participant must have passed the level preceding the level being registered for. Proof of passing may be requested on the first day of the session. Participants will be assessed if there is no proof of passing the preceding level then the participant will only be put in the appropriate level if that class is not full.
- Where demand is high, skaters may be restricted to one Learn to Skate program per location per season.

### Preschool Programs

**Preschool**
- Child must be capable of going on the ice alone.
- Child should be able to stand and walk on skates with straight ankles off the ice.
- Caregivers are not permitted on the ice.

**Learn to Skate Preschool**
- Child with Caregiver: CSA approved hockey helmet and full face mask – Mandatory
- Child: CSA approved hockey helmet and full face mask – Mandatory

**Learn to Skate Child**
- Child-Level 1
- Child-Level 2
- Child-Level 3

**Power Skate**
- Beginner

**Learn to Skate Youth**
- Youth-Level 1
- Youth-Level 2
- Youth-Level 3

**Learn to Skate Adult**
- Adult-Level 1
- Adult-Level 2
- Adult-Level 3

**Hockey Skills**
- Preschool
- Beginner

**Note:** indicates successfully completed the level
Learn to Skate: Child-Level 1 to 4
The Toronto Learn to Skate curriculum is designed to guide skaters through a five-level technical skills progression that takes them from those first nervous steps on the ice to a striding and gliding confident skater. At the end of the season, participants will receive a progress report.
- Ages 6-12 years.
- Classes include a group warm up, instructional lesson and individual free skate time.
- Participants must complete one level before moving on to the next level.

Learn to Skate: Child-Level 1
Prerequisite: Level 1 is for participants who are new to skating and are unable to skate the width of the ice surface with a glide. Participants should be able to stand and walk on skates with straight ankles off the ice.
- Development of balance and posture
- Introduction to forward skating, gliding, stopping and backward skating

Learn to Skate: Child-Level 2
Prerequisite: Successful completion of Level 1.
- Development of forward gliding, stopping, backward skating
- Introduction to one foot glides and backward gliding

Learn to Skate: Child-Level 3
Prerequisite: Successful completion of Level 2.
- Development of backward stopping, backward gliding and edges
- Introduction to cross-overs, slalom skating, 2 foot turns

Learn to Skate: Child-Level 4
Prerequisite: Successful completion of Level 3.
- Development of cross-overs, backward stopping
- Introduction to one foot turns, backward circle thrusts

Learn to Skate: Youth
Youth-Beginner
CSA approved hockey helmets are mandatory for all participants.
- Classes follow the level 1-2 Learn to Skate curriculum with emphasis on the development of balance and posture, forward skating, gliding, stopping and backward skating.

Youth-Advanced
Prerequisite: Completion of Youth-Beginner
CSA approved hockey helmets are mandatory for all participants.
- Classes follow the level 2-3 Learn to Skate curriculum with emphasis on forward and backward crossovers, edges, advanced stopping and backward skating skills.

Learn to Skate: Adult
Adult-Beginner
CSA approved hockey helmets are mandatory for all participants.
- Classes follow the level 1-2 Learn to Skate curriculum with emphasis on forward and backward crossovers, edges, advanced stopping and backward skating skills.

Adult-Advanced
Prerequisite: Completion of Adult-Beginner
CSA approved hockey helmets are mandatory for all participants.
- Classes follow the level 3-5 Learn to Skate curriculum with emphasis on forward and backward crossovers, edges, advanced stopping and backward skating skills.

Power Skating
Power skating is the ability to generate as much strength into each stride in the shortest amount of time possible.

Power Skating-Beginner
Prerequisite: Completion of Learn to Skate-Level 4
- Introduction to the basic power skating techniques including power development, power strides, starting, stopping, lateral mobility and power drills.

Hockey Programs
CSA approved hockey helmet, gloves and hockey stick are mandatory.

Hockey Skills-Preschool
Prerequisite: Completion of Learn to Skate Preschool or can skate one length of the ice surface.
This program introduces new hockey players to the basic hockey skills and rules of the game. If you’ve never played organized hockey, this is the program for you! The program is designed to prepare participants for entry into house league or recreational/pick up hockey.
- Introduction to the basic hockey skills including skating, passing, shooting and puck control.

Hockey Skills-Beginner
Prerequisite: Completion of Learn to Skate-Level 1 or equivalent or can skate one length of the ice surface.
This program introduces new hockey players to the basic hockey skills and rules of the game. If you’ve never played organized hockey, this is the program for you! The program is designed to prepare participants for entry into house league or recreational/pick up hockey.
- Introduction to the basic hockey skills including skating, passing, shooting and puck control.
